

Are you interested in public service? Apply today.

Legislative

Offered:

Fall 2016, Spring 2017 and Summer 2017

Description:

State Senator Karen McConnaughay is seeking motivated and hard-working undergraduate students for her district office located in West Dundee, Illinois. This internship will provide hands-on experience in the fields of government, public affairs and public policy.

Responsibilities:

Work closely with district staff on:

- Community outreach
- Correspondence with constituents
- Build voter databases
- Represent Senator's office at functions
- Develop understanding of the daily functions of a legislative district office
- Learn transferable skills that will facilitate transition to future employment

Compensation:

Unpaid. Applicants may apply for academic credit per your university or college guidelines. It is the responsibility of the student to apply and get approval for academic credit per specified department at university or college.
